Foreword

In this JOURNAL we are presenting a chronicle of Taunton High School in 1959: a pictorial review typical of the living, laughing, and learning which marked our progress through its halls.

In this record we are also immortalizing a picture of ourselves, the class of 1959, at the close of a period which we consider to be our formative years—years of immaturity and of trial and error, as we emerge from childhood to adulthood. In tribute to these years, which play such an important part in our lives, we choose as the theme of our Journal “The Green Years”. We recognize the significance of these years, for during them we have climbed steps vital to the attainment of the goal we have sought: maturity, knowledge, understanding.

Our theme, “The Green Years”, represents for us the total sum of our adolescence, as we have sought to make friends, seek knowledge, and most of all, know ourselves. When the hopes, heartaches, and happiness of our high school days are dimmed by the mists of time, then will the pages of this JOURNAL recall to us memories of these precious days—our “Green Years”.

Prayer

*Dear Lord, we thank Thee
for the gifts Thou hast bestowed upon us during our
school days, and we humbly pray that we may use these
gifts to enrich our lives and to honor Thee.*

*As we graduate from high school,
grant us, we pray, those attributes we need to make us
truly Thy children: wisdom and knowledge to guide us
in all we think and say, fortitude to strengthen our
weaknesses, prudence to help us seek those things pleasing
to Thee, and piety to develop in our hearts a brotherly
love for all men.*

AMEN

In Memoriam

LEON A. BOUDREAU

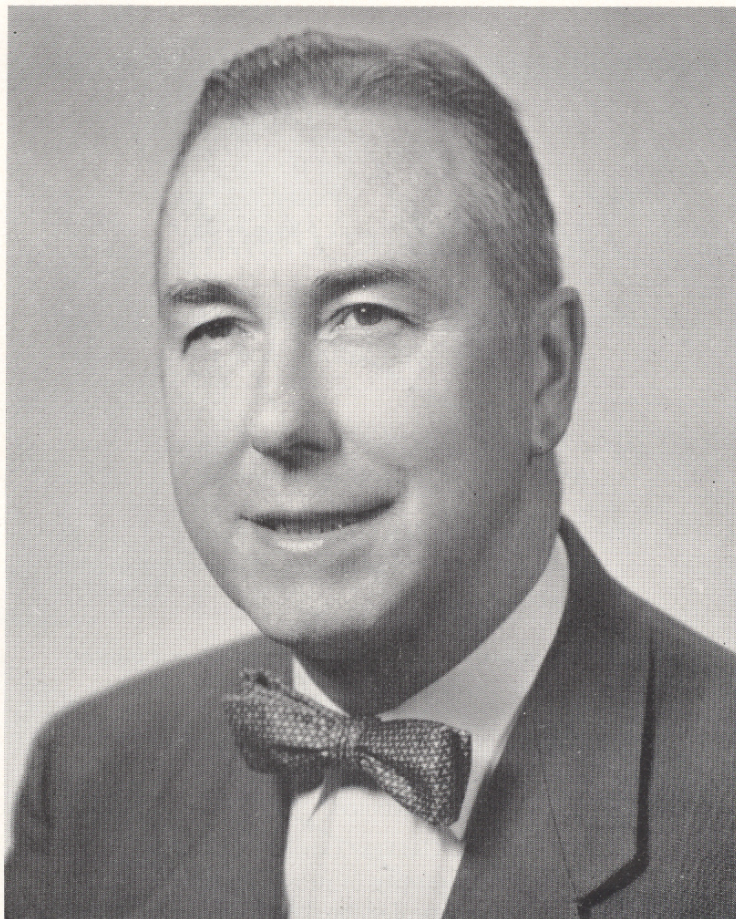

With sincere appreciation and deep affection, we, the graduating class of nineteen hundred and fifty-nine, dedicate our yearbook to the memory of Mr. Leon A. Boudreau, our faculty sponsor, teacher, and friend who, in his three years at Taunton High School, earned the respect and admiration of his pupils and the loyalty of his fellow teachers. A dedicated teacher, a wise counselor, and a true gentleman, Mr. Boudreau will long be remembered by all who knew him.

WALTER E. BOWMAN, JR.

To you, Mr. Bowman, we extend our grateful appreciation for the many years you spent as teacher and headmaster at Taunton High School. All your efforts on our behalf made our three years under your stewardship happy and memorable ones. For your patience, cooperation, and enthusiastic support of our activities we say a heartfelt "Thank you."

CLASS OF 1959

EDWARD F. KENNEDY

It is a distinct pleasure for me, at the close of my first year as headmaster of Taunton High School, to convey this message to all the members of the Class of 1959.

You set a good example for other classes to follow. May you continue to be a credit to your school and community in whatever you undertake.

Best wishes for a most successful future.

EDWARD F. KENNEDY

The Staff Thanks . . .

MISS MARGUERITE C. SMITH, our sponsor, for her cooperation and many hours of patient guidance.

MRS. VIRGINIA JOKI, for her inspirational counsel in aiding our quotation committee.

MR. BAACKE AND MR. IRONS, of the C. A. Hack Company, for their tireless effort and personal attention.

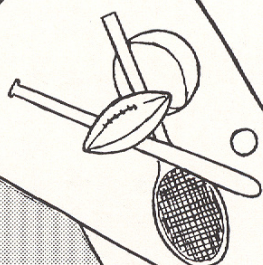

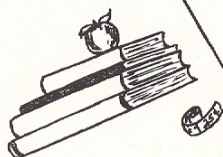

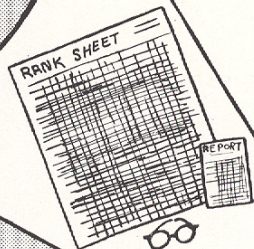

THE BASIL SMITH SYSTEM, Philadelphia, our engravers, for their reliable and efficient work.

MR. GEORGE AVAKIAN, MR. HOLME, AND MR. CARLSON of Loring Studios for their helpful services and friendly assistance.

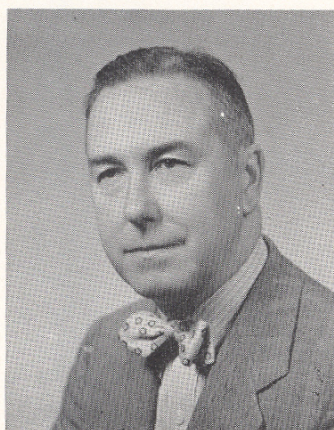

MR. EMMETT C. CALVEY AND MR. ROBERT CALVEY, for their generosity in providing us with sports candids and professional instruction.

STUDENTS AND FACULTY, for their interest and enthusiasm, which helped to make this *Journal* a success.

Officers and Sponsors

In June our activities reach a climax and on that day your thoughts will probably take you back over the pleasant experiences of the past four years.

Reminders of your freshman days may make you smile, and thinking about our soph year, you will probably remember the success of our first project, the "Leaf Leap."

Hectic were our junior activities when we became salesmen selling tickets to the "Junior Bounce" and T.H.S. car stickers. The excitement of receiving our class rings and preparing for our prom certainly made that year a busy one. Finally on May ninth our plans crystallized when we enjoyed a wonderful evening amidst the sparkle, color, and music of "Around the World."

Upon returning this fall, we found many changes at school: a new headmaster, a new recess schedule, and a new marking system.

We sponsored a "Kick off Dance", which was followed by a hilarious sport program; this involved both our classmates and members of the faculty. On May twenty-second our "star cutting" and "flower making" efforts transformed the hall into "The Enchanted Forest." There, amidst the richness of the dark green background, the glitter, the thousands of flowers, the giant mushrooms and special sky effects, we enjoyed one of the happiest and most memorable evenings of our lives!

We wish to thank Miss Joanne Roche, Mr. Walter Pelczarski, and the late Mr. Leon Boudreau, our class sponsors, for helping our class be successful in all we attempted. Till we meet again . .

Honor where honor is due

JUDITH ANDREWS was selected by the students and faculty to be this year's recipient of the Daughters of the American Revolution award. The award is presented each year to a senior girl who is outstanding in scholarship, patriotism, and leadership.

For her essay on the subject of "*My True Security*", ANNA MAY CABRAL received the Junior Chamber of Commerce first place plaque. Anna May based her prize-winning essay on three factors—faith in herself, faith in others, and faith in God.

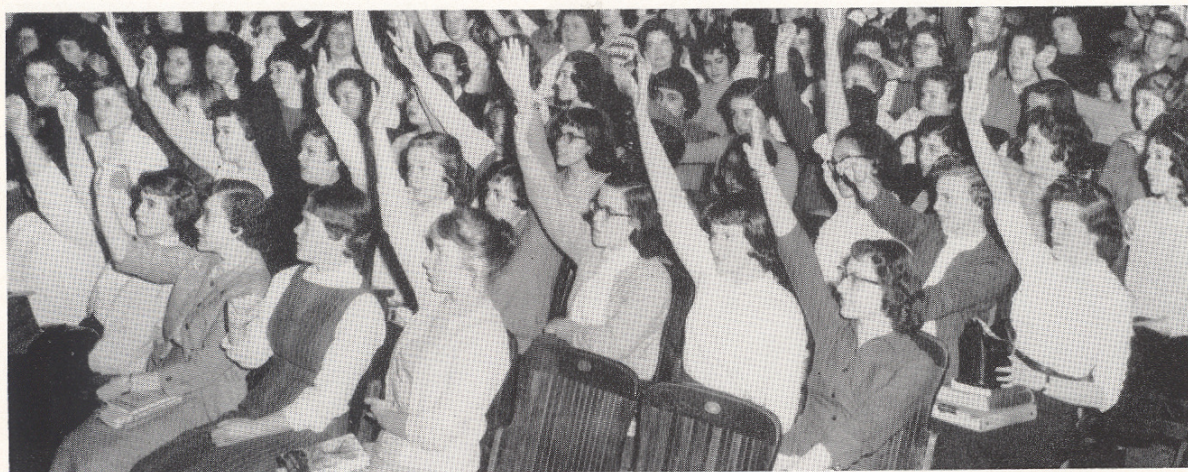

CAROLE ANN JOHNSON was the winner of the annual Betty Crocker Future Homemaker of America award. By scoring highest in the school in a written examination, Carole Ann became eligible to enter the state competition.

On March 13, SENATOR BARBARA KABLE represented Taunton High at Student Government Day in Boston. Barbara, who was chosen from a field of seven senior candidates by a vote of the entire student body, was the first girl to represent the school at this annual program.

On January 31 the juniors sponsored the very successful "Twirp Twirl" with disc jockey Ray LaFleur. For this girls-ask-boys affair, the hall was decorated with little Dutch boys and girls.

In March enthusiastic juniors commenced work on their May eighth prom, with a "Promenade au Printemps" theme, which will transform the hall into a rustic landscape with blooming trees, flower covered foot bridge, and village scenes in white, pink, and lavender pastels.

This year's Sophomore Class is one of the largest ever enrolled at Taunton High School. It is headed by four Student Council members: Mark Reckard, Hugh Wilbur, Mary Charves, and Judith Wakefield; and four capable class officers.

In the fall of this year the class held a successful candy sale under the guidance of the class sponsors. The money will be used for future class projects.

Two outstanding classmen are David Hirschy, who won first place in the Taunton High School Science Fair; and Jon Lewis, third place winner of the National Mathematics Contest at Taunton High School.

This year's Freshman Class is a busy one. The members have participated in such activities as Freshman Chorus, Library Assistance, Pep Squad, Orchestra, Band, Cafeteria Help, and Red Cross.

The class is a standout scholastically as well as socially. An average of ninety-seven pupils were on the honor roll all four terms. Some of the most interesting exhibits at the Science Fair were entered by this class.

Athletics are also favored by ambitious freshmen. Their baseball, basketball, and football teams were very successful.

The girls, besides being enthusiastic sports fans, took part in Freshman Basketball and cheerleader tryouts.

Football

The 1958 football team compiled a good record. Taunton scored 167 points and gave away 112. At the end of the year the record was four wins, three losses, and one tie. Two of the three losses were by two points. Only twelve points kept the team from having an undefeated season.

In the first game against New Bedford Voke the whole team played exceptionally well, with Bill Gimpel starring on defense and Paul Levesque on offense. Taunton won 37-12.

In the next game Taunton defeated Attleboro 12-6. However, this victory was overshadowed by the loss of Bill Gimpel, who suffered a head injury which kept him out for the rest of the season.

Although both Brockton and Boston papers favored Canton by two touchdowns, at the end of the first half the score was Taunton 32, Canton 6. Taunton finished its strongest offensive game of the year, outscoring Canton 46-20. Jack Cullen piloted Co-Capt. Carvalho, Paul Levesque, and

Sam Fisher to 12 touchdowns, but five were called back because of penalties.

In the fourth game with North Attleboro, Taunton continued its performance of the previous week and came out on top 22-14.

The team again felt the blow of injuries as Taunton's highest scorer, Paul Levesque, hurt his ankle while practicing for the Durfee game. Up to this point Taunton had scored 117 points with Levesque scoring 46 of them.

The Taunton-Durfee clash proved to be one of the most exciting of the year as both teams were undefeated up to that time. At the end of the first half the score was tied 6-6. In the fourth quarter Durfee completed a touchdown drive and also scored the two-point conversion. Taunton managed to score another touchdown, but injured Paul Levesque failed to tie the game by inches. This was the deciding margin, as Durfee won 14-12.

Although the team tried desperately to get back in the win column, Taunton lost

to Somerset by two points. A safety, a touchdown and a conversion gave Somerset 10 points while Taunton scored 8 points on a touchdown and a conversion.

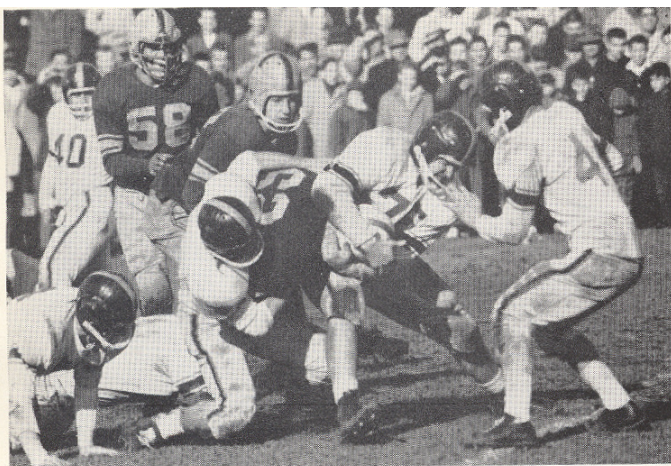

Taunton was favored in the Fairhaven game, but the team just couldn't get out of its slump and the game ended in a 22-22 tie.

Our chief disappointment was our loss to our intra-city rival, Coyle. Taunton scored

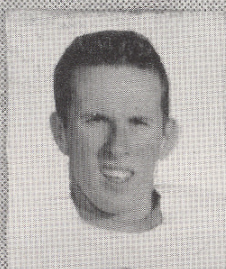

first in the second quarter when Co-Capt. Tripp recovered the punt which he blocked for a touchdown. Taunton failed to get the extra point, so the score was 6-0. But Coyle tied the score before the half ended by a pass from Hoyer to O'Boyle. In the fourth quarter Coyle's Eddie Boyle made a fantastic touchdown run. Coyle also converted the two extra points. This completed the scoring and Coyle won 14-6.

Varsity Basketball

The poor record of Taunton High's basketball team is not indicative of the brand of basketball that the team played. No team in the league regarded Taunton lightly. According to Coach Ham Lane, this year's team worked better as a team than any other he has coached. However, the boys were not able to come up with the big play when they needed it. Furthermore, in nine games key men were missing because of illness or injury.

Taunton's record for the season was six wins and thirteen losses. Most of the defeats that Taunton High suffered were not decided until the fourth quarter, and a few of them were decided only during the last few minutes of the game.

Some of Taunton's outstanding performances were against Attleboro and Coyle, two of the strongest teams in Bristol County.

In the first game with Attleboro, first-half jitters spoiled Taunton's chances of pulling

an upset. The Taunton High team played brilliantly in the second half to outscore Attleboro, but could not overcome the Jewelers' 16 point half-time advantage. In the second game with Attleboro, Taunton took a 30-22 advantage at half-time. But a big letdown by Taunton in the second half enabled Attleboro to take the lead and continue to a 61-44 victory.

In Taunton's first game with Coyle, the Bristol County Champions, Taunton played on even terms with the heavily-favored Coyle team for three out of the four quarters. Again a letdown by Taunton enabled Coyle to take a sixteen point lead and continue to a fifteen point victory, 65-50.

After the regular season's play was finished, Taunton High entered the Bay State Tournament. Taunton defeated Needham High in the quarterfinals with a score of 67-51 but was eliminated when it lost to North Quincy 63-48.

Junior Varsity

Kneeling: C. Rebello, J. Silvia, R. Silvia, M. Reckard.
Standing: D. Pimental, C. Galligan, S. Slade, P. Fairbanks, D. Miranda, E. Gaudette, A. Kokoska.

The junior varsity basketball team this year had a record of seven wins and nine losses. High-scorers for the junior varsity team were Paul Fairbanks, Joe Sylvia, Dave Marsden and Carl Galligan. Other boys that saw plenty of action were Tony Kokoska, Danny Pimental, Scott Slade, Eddie Gaudette, Charlie Rebello, and Dick Silvia. There were some fine prospects on the team this year; Coach Lane is looking forward to promoting some of these boys up to the varsity ranks next season.

Freshman Basketball

The freshmen basketball team this year had a good won-loss record. The team managed to secure eleven victories while dropping only six decisions. High-scorers for the team were Co-captain Vargus, Bob Buzzel, and Co-captain Kerrigan. Even though these did most of the scoring, Coach Casey credits every individual boy on the squad for the fine success of the team this year.

Plenty of hustle and hard work more than made up for what this freshmen team lacked in natural ability. Coach Casey stated that this year's team was just too willing to follow his orders and instructions. Also, as we all know, this team never gave up; for example in the last Coyle game, our team came from behind to tie the game and then just lost out 42-36 in the overtime period.

Kneeling: J. Gutman, Co-Capt. J. Kerrigan, Co-Capt. R. Vargas, J. Silveira.
Standing: P. Viera, W. Andrade, J. Pimental, R. Buzzell, D. Desrosiers, B. Casey, J. Waldron, F. McDermott, J. Carreiro.

Baseball

Although this year has been termed a "building year" by our coach, he does have high hopes that the team can better last year's mark of seven wins and six losses. Co-Captains Jack Carvalho and Gerry Tripp along with Fred Cusick are the only senior lettermen on the team. However, much help can and will be expected from returning Norm Robinson, Sam Fisher, Jim Nelson, Dick Silvia, Fred Orsine, John Cullen, Doug Arruda, and Ronald Raposa.

Coach DiRubio also says, "Last year's freshman team includes some of the best prospects since I've been here." If a few of these boys can live up to the coach's expectations and provide some added strength, well, who knows—we may have a good season!

Dave gets a timely base hit.

First row: J. Terra, R. Hill, J. Yuen, J. Gutman, F. Cornaglia, D. Marsden, F. Sherry, R. Allen, R. Allaire, L. Cote, W. Pring, A. Vieira.

 Third row: P. McDermott, W. Cordeiro, N. Champagne, R. Gouveia, G. Boyer, R. Johnson, H. Lincoln, P. Fairbanks, D. Teed, S. Wedmore, T. Alexio.

Track

Track is the sport which is considered the true outlet to man's competitive spirit. No sport at Taunton High School has progressed in the past four years more than track. Last year, Taunton proved themselves to be second in performance only to the perennial champion, New Bedford, and established a superb 9-1 record in Bristol County competition.

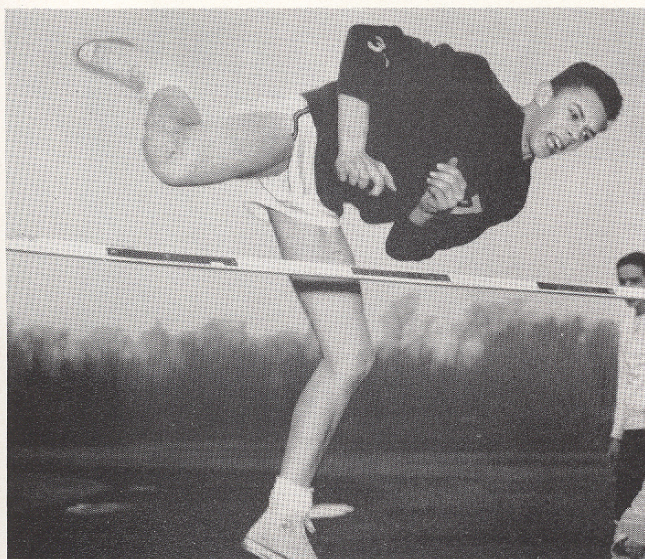

From this group emerged this year's co-captains, Paul Levesque and Paul Patenaude, who will lead the 1959 edition of Orange and Black Harriers. Both boys are dash men and broad jumpers and should perform well this season.

Coach Bill Casey has lined up another ambitious schedule for his 1959 group which lost 18 to 21 from last year's accomplished group. In all probability, this season will enter the record books as a building

year and the team will be liberally sprinkled with underclass performers.

Senior Al Colleran is expected to develop into one of the county's better 440 men; Junior Dick Johnson and Howie Lincoln are expected to lead the weight throwers in the shot-put, while classmate Randy Gouveia looms as the best high-jump prospect. Sophomore Dave Carvalho should blossom as a good distance man, and a great deal is expected from Freshmen Johnny Yuen and Bill Cordeiro. Roger Hill, Gerry Boyer, Dick Allen, and Frank Sherry are senior performers who could develop into capable performers along with Juniors Dave Marsden, Syd Wedmore, and Paul Rosenlund, Sophmores Warren Godfrey and Fred Cornajha, and Freshmen Neree Champagne and Pete McDermott.

Co-captain Paul Levesque straining to reach the coveted 20' mark in his specialty—the broad jump.

Girls' Basketball

The excellent record of this year's basketball team is proof of the added interest taken in girls' sports. Although this is only the second year Taunton High has been a member of the Narraganset League, the team finished in third place. The record for the season was eight wins and three losses in league competition, and two non-league victories for a total of ten wins and three losses. This tremendous improvement over last year's record of no wins and 12 losses was made possible by the determination and spirit of the team.

This will to win was evident even in the first game against Westport. Gail Reagan scored 37 points, while Ruth Ann Belcher contributed 23 to the 70-58 victory.

This game was followed by successive wins over Dighton, Somerset, and Case High of Swansea. In each of these games

the high scoring of Gail Reagan and the exceptionally good playing of the guard section, composed of Capt. Jean Dolan, Marilyn Hodgson, and "Dede" Levesque, were the deciding factors.

The first loss of the season came at the hands of Dominican Academy. Although handicapped by the small size of Dominican's court, Taunton played on even terms with Dominican throughout most of the game. Fouls also hurt Taunton in this game, as they meant the loss of Gail Reagan for most of the second half.

An 82-71 victory over Mount St. Mary's was followed by the most disappointing game of the year—the loss to Durfee High of Fall River. Durfee was undefeated and in first place, while Taunton was tied with three other teams for second place. A victory would have placed Taunton in a tie

JEAN DOLAN

Captain of this year's basketball team, Jean Dolan has shown her superior sportsmanship in various ways. First, in her position as guard, Jean was an alert and skillful player. But even more important was her friendly and determined spirit which united the team and enabled us to have a successful season.

GAIL REAGAN

Extraordinary is the only adjective that can describe Gail Reagan's sensational playing and high scoring. In the Dartmouth game alone Gail scored the fantastic sum of 59 points. Her seasonal total of 365 points was the highest in the Narragansett League. For this accomplishment Gail was awarded a trophy at the girls' sports banquet.

for first place. But again fouls and an undersized court were a handicap. Taunton outscored Durfee in the first half, but couldn't match their scoring spree in the last two quarters. Both Gail Reagan and Jean Dolan fouled out during the last few minutes of the game. The final score was Durfee 59-Taunton 52.

The next game was a decisive 92-36 victory over Dartmouth High School. It was in this game that Gail Reagan scored the fantastic sum of 59 points.

Taunton lost its third game of the year to league champions New Bedford by a score of 80-68.

In the final games of the season Taunton secured victories over New Bedford Voke, Attleboro, and Fairhaven.

In post-season play Taunton was rematched with Dominican Academy at the Mulcahey court for the benefit of the March of Dimes. The final score was Taunton 51, Dominican 47—a true fight to the finish.

Junior Varsity Basketball

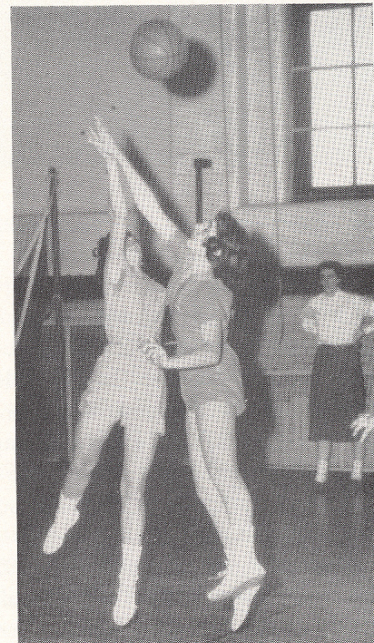

First row: A. Ashley, S. Weeks, Mrs. Stroppe, J. Boyd, P. Coe, J. Cabral.
 Second row: C. Lincoln, M. Noakes, D. Ventura, E. Dion, N. Lincoln.
 Third row: S. Pearson, L. Ulm, B. Bloom, J. LaBrie, S. Bolen, J. Trefethen.

One of the main goals of the junior varsity team is to develop the skill of underclassmen for participation in varsity basketball. Improved players like Martha Noakes, Judy Cabral, Diane Avila, and Judy Boyd are proof of the success of this year's team. Improvement in the team as a whole is shown by the fact that the girls won their last three games over New Bedford Voke, Attleboro, and Fairhaven. The seasonal record of three wins and nine losses doesn't give Taunton any credit for the many games it lost by a few points. These include the New Bedford game (24-21), Case (25-22), and the game with Dominican Academy which was lost by one point—27-26.

Freshman Basketball

Over forty girls took part in freshmen basketball. The team, led by Captain Susan Zwetchkenbaum, played four games: winning two and losing two. Both defeats were at the hands of the Bristol, Rhode Island, Sophomores. Taunton crushed Dominican Academy twice by scores of 34-3 and 46-4.

Freshmen fight to control the ball.

Volleyball

Marilyn leaps to smash it over the net.

Sophomore, junior and senior girls took part in volleyball, which is a new sport in Taunton High School. The captain of the team was Barbara MacHaffie. This year Taunton High was made a member of the Bristol County Girls' League and engaged in competition with ten surrounding schools. Due to inexperience the team won only one game while losing nine.

Softball

Softball is a school sport in which girls from all classes may participate. The practices held afternoons at Harthorn Park prepared the team for their active schedule of seven games. This year's team, led by Gail Reagan, Captain, and Jean Dolan, Manager, is practically a veteran one; and everyone has high hopes for a good season.

Special Classes

ELECTRONICS

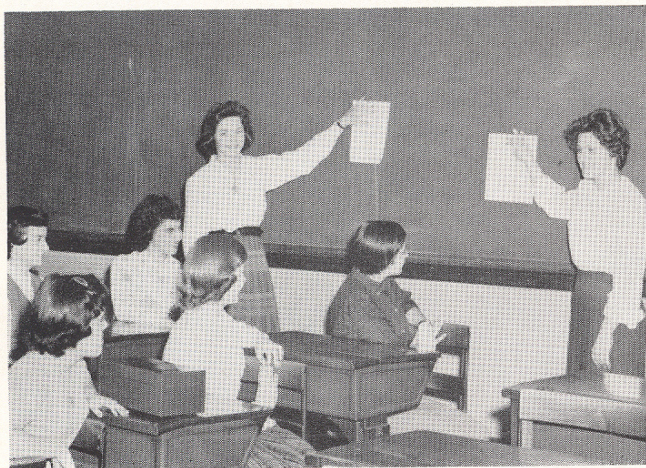

Electronics, a new course at T. H. S., is open to all seniors that are interested in the growing field of electronics. First the students start with the structure of the atom; soon they find out how their telephone works and why they can hear music coming from their radio.

To supplement the text books, there are discussions and projects. Also, once a week, there is a laboratory period in which the students work together on various experiments. They soon find that electronics isn't as complicated as they thought!

PROBLEMS OF DEMOCRACY

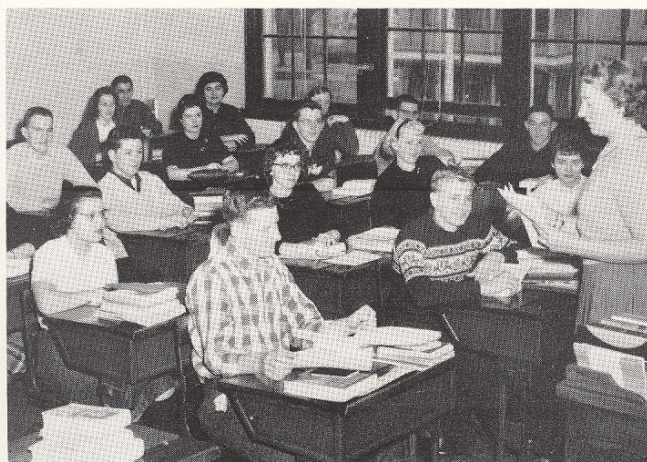

Mr. Norton enlivens this class with his witticisms. We have discussions on a variety of topics—juvenile delinquency, housing, probate court, “sticky prices”, “cocktail elopement”, and “lazy fare”, to mention a few.

Class work is not all discussion, however; every week we have a test. Some of the tests are very baffling! Two features of 120 we'll never forget—the vines climbing higher and higher up the window, and Mr. Norton's posting the warning that there are only so many days left in the school year!

JOURNALISM

Our first lesson is on clear, concise, complete writing. Later come headline writing, editorials, features, and class columns. A trip to the printer's shop is one of our outings; attending the Boston University conferences is another. When the work seems difficult, hope of being a *Tauntonian* editor next year keeps us going. And then in May comes the climax of our efforts—the selection of next year's editors. For the last issue the retiring staff publishes the senior section; the rest of the paper is the responsibility of the juniors!

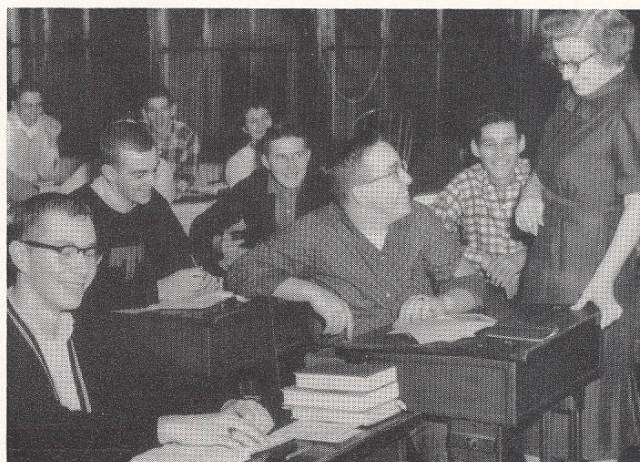

ENGLISH EX.

English Ex — We are greeted with a hearty "Good morning, class" each afternoon. A favorite question for debate is "Are we conformists, or not?" Among our acquaintances are Thoreau, Milton, Johnson, Whitman, Bacon, and Shakespeare. Having both juniors and seniors in the class is stimulating, for we have different points of view. One year of EX is devoted to the study of our American literary heritage; the next year, to the exploration of English literature. We often have spirited discussions, on a variety of subjects . . . The class gives us a stronger bond of friendship and a better knowledge of English.

SOLID AND TRIG.

Solid Geometry and Trigonometry—The sine of an angle of 75 degrees is easy to find, once you know how. And there is no better way to find out than to be in Miss Knox's Solid Geometry and Trigonometry class. This class, which combines both subjects, is open to seniors who are going on to college and who are interested in studying higher mathematics.

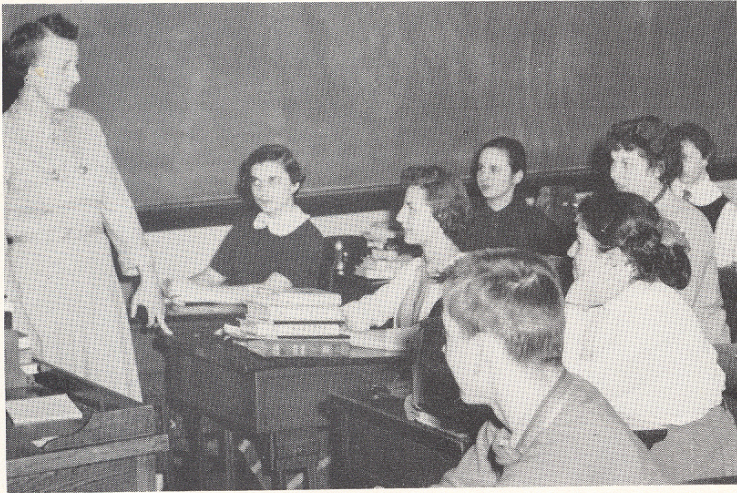

Solid and trig are not for the part-time scholar: Miss Knox makes us *work*, but through discussion and demonstration she proves that the subject is not *that* hard.

DRIVER TRAINING

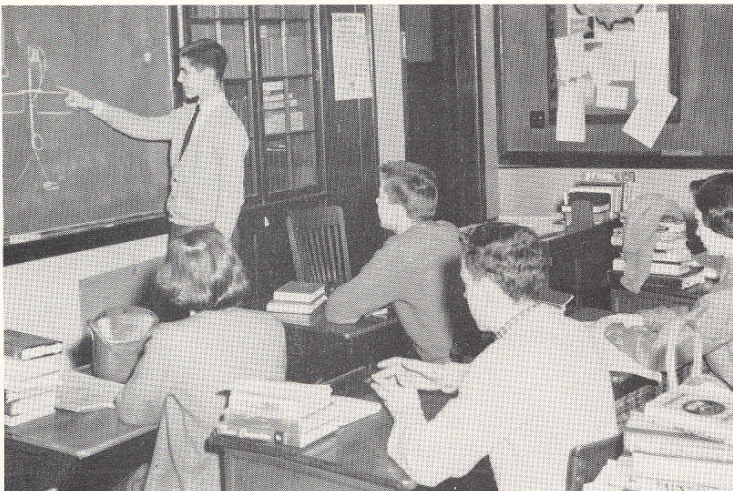

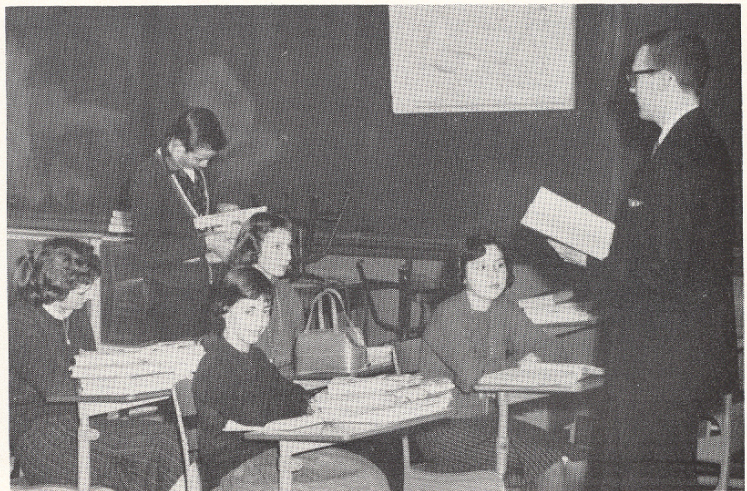

The Driver Training Program, limited to seniors, is one of the most exciting and popular activities in Taunton High. The program is divided into two parts: theory and practice. The theoretical portion of the course consists of classroom instructions, one period a week, during which Mr. Skwarlo, our instructor, patiently reviews the motor vehicle laws and the fundamental principles of driving. At this time the student finds himself wondering if he will ever learn to drive a machine as complicated as the automobile! Finally comes the day when these nervous students put theory into practice and find that driving is easy!

THE TAUNTONIAN

The first issue of the Taunton High School newspaper appeared in May 1923. Originally called *The Comet*, its name was subsequently changed to *The Tauntonian*.

Always an award-winning publication, this year it received the highest award in a New England competition held at Boston University.

Edited and published by the students, and sponsored by Agnes T. Laughlin, *The Tauntonian* has a dual purpose. First, it gives students who are interested in journalism a chance to explore that field and to become familiar with the processes of writing, editing and publishing a newspaper. Its second purpose is to inform the readers of school activities and personalities, to express the views of both students and faculty, and, its editors hope, to entertain.

Cadet Corps

First row, left to right: E. Hebert, Cpt. G. Boyar, Cpt. R. Hill, Major P. Cabana, Cpt. Adjutant A. Almeida, Cpt. J. Majkut, Cpt. J. Zrebiec.
Second row: Lt. P. Spencer, Lt. R. Santa, Lt. D. Paull, Lt. E. Davis, Lt. E. La-Bounty, Lt. W. Gimpel, Lt. R. McCrady, Lt. D. Downing, Lt. P. Kaminski.

The Taunton High School Corps of Cadets, established in 1886, was organized for the purpose of preparing young men for military service. In this day of compulsory military training, this organization is invaluable.

The battalion of cadets is comprised entirely of young men in high school. In their senior year, cadet officers must assume full responsibility for presenting two public drills and balls. On January 25, 1959, the first of these was held at the state armory. The sole function of this competition is to single out those individuals who have shown marked proficiency in the manual of arms. The six men who displayed outstanding ability in this exhibition were Sergeant Scott Slade, Corporal Michael Makowski,

Corporal Richard Moitoza, Private Brayton Willis, Private John White, and Sebastian Porto.

During the year several second-lieutenants were promoted to first-lieutenants. They were Robert McCrady, Joseph Ferreira, and Edward Davis. Special credit should be given to Captain Edward Hebert, who was promoted twice in the course of the year to become commanding officer of Company C.

This year will remain vivid in the minds of the senior cadets. Although all of them were not able to become officers, non-commissioned officers served as invaluable liaisons between the underclassmen and the officers.

Student Council

First row, left to right: G. Kullas, J. Lawson, *Secretary* D. Majkut, *President* J. Majkut, *Sponsor* Miss M. McMahon, *Vice-President* C. Cooperstein, *Treasurer* R. Johnson, K. Heckscher, D. DeMoura. Second row: M. Charves, J. Abreau, R. Martin, M. Hodgdon, L. Menard, G. Cabisius, D. Rico, J. Dolan. Third row: B. Kable, A. Legere, P. Casey, C. L'Heureux, J. Kusaj, J. Andrews, N. Vieira, J. LaPlante, J. Bator. Fourth row: S. Wedmore, R. Santa, D. Teed, R. Moran, W. Jordan, W. Tranmer, W. Collingwood, P. Levesque, J. Ferreira, J. Zrebiec, P. Cabana, M. Reckard.

Composed of the presidents of all organized clubs and representatives of each class, the Taunton High School Student Council is the most representative group in the school. Guided by its sponsor, Miss Mary P. McMahon, the Council participates in many projects and initiates others. This year, as a fund-raising activity, the Council sold bookcovers and sponsored the annual band concert. In order to keep Taunton High School abreast of the latest

method of supplementary teaching, the Council purchased a twenty-one inch television set to be used specifically by the students taking part in the pilot course presented on Channel 2 for three weeks in the Spring and generally for all teachers who wish to enrich their teaching. Another innovation this year is the inauguration of a Senior Reception, which, it is hoped, will make graduation a warm and memorable occasion for seniors and their parents.

Senior members of the council present a panel discussion for freshman parents night.

"Pep" is the word for the Pep Squad! Well do the members justify their name! At every football game in the fall they yell, cheer, stamp, and sing as they flash their cards in Rockette precision and spur the team on to victory.

Established in 1955, our freshman year, the Pep Squad is open to all high school girls. At the rallies given throughout the year, the entertainment is on a par with *My Fair Lady* and the *Music Man*! Dances, songs, skits, jokes—all performed in a spirit of fun and in unforgettable costumes—combine good entertainment, wholesome fun, and bubbling school spirit.

With an ever-increasing membership the Pep Squad, guided by William C. Casey, is fast becoming one of Taunton High's most popular activities.

The card section performs during a "Let's Go Taunton" cheer.

THE JUNIOR RED CROSS

The Junior Red Cross decorates the Brockton Veteran's Hall for dances during the year, sends favors and tray covers to hospitals, and entertains at Service Clubs and hospitals.

Every six weeks ten to twelve members assist at the Blood Bank by serving the donors and the staff. The J.R.C. helps the Morton Hospital by preparing their annual reports for mailing.

These are only a few of the numerous aids rendered by your Junior Red Cross.

The main purpose of the Junior Red Cross is to serve the community. Among its many services are supporting the International Gift Box programs, assembling stamps and letters for the Bristol County Health Association, and assisting the Ladies' Aid Society of Morton Hospital. Donating to the American Children's Fund and donating articles requested by Brockton V. A. and Otis Base Hospitals such as hand knit socks, Christmas gifts, and birthday presents are services rendered every year.
